

Smart India Hackathon

Jaypee University of Information Technology

Section 1: Proposal Basics

Project Title: Smart India Hackathon

Proposer Name: ACM JUIT

Proposal Institution: Jaypee University Of Information Technology

Proposal Abstract: The Smart India Hackathon is a National Level Hackathon which provides students a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem solving.

Section 2: Proposal Details

SPOC REGISTRATION:-

- How do students register for Smart India Hackathon 2025?
Students can not directly register themselves. Students can only be registered, if their college is registered for SPOC (Student Point Of Contact). Only those students are allowed to be registered who are selected in the Internal Hackathon. The college SPOC will be responsible to nominate the top 90 teams as per the internal hackathon results.
- SPOC Account Approval
Once you register as SPOC, the SIH implementation team will authorize your account. You are eligible only after your account is verified.

(Chapter Advisor)

(Faculty Coordinator)

(Secretary)

(Treasurer)

(Chairperson)

Process Flow:- College SPOC have to upload an Internal hackathon report on their dashboard portal. The report should be in single PDF with details of the internal hackathon organized in your college. You can include as many details and create a report on the internal hackathon organized (maximum 15 page)

Report must contain:

1. Details about the event
2. Photos of the event organized
3. Pictures of all participating teams
4. Judging process
5. Jury panel photo and relevant details
6. Nominated top teams
7. Judges photos and details
8. Total teams and students participated and photos.
9. News article if any.
10. Twitter/FB/Linkedin link for the event organized and promoted on your social media.
11. Use of hashtags such as #sih2025 #smartindiahackathon2025 is a must.
12. Tag official page of innovation cell, ministry of education on twitter.

Team Criteria:

1. All team members should be from the same college, no inter-college are allowed. However, members from different branches of the same college/ institutes are encouraged to form a team.
2. Each team would mandatorily comprise 6 members including the team leader.
3. Each team must have AT LEAST ONE FEMALE TEAM MEMBER.
4. As the software edition of the hackathon is a digital product development competition, majority of the team members MUST be well versed with programming skills, for the hardware edition, we encourage multi-disciplinary teams- which means your team should have a good mix of Mechanical Engineers, Electronic Engineers, Product Designers and Programmers, etc.
5. The nominated teams should have participated in the Internal Hackathon.

The national level Hackathon will have the following itinerary:

- Launch of Smart India Hackathon. (25th August, 2025)
- Registration & Idea Submission. (Before 30th September, 2025.)
- Idea Evaluation. (Before mid October, 2025)
- Announcement of selected teams (2nd/3rd Week of November)
- Grand Finale of National Hackathon(December 2025)

After this the details of the selected teams will be sent to the SIH management team. They will allot the Nodal Centers of the selected teams. In the meantime, the college has to conduct training sessions for the selected teams, till the time they are sent to the launch of Smart India Hackathon.

Section 3: Proposal Budget

The details of the Hackathon budget is mentioned below:

Sr. No	Item	Units	Cost(Rs.)(including GST)
1.	Flexes+Posters+ Standee+ID Cards	3+15+2+(660+20)	$(3*2000=)6000+$ $(15*30=)450+(2*800=) 1600$ $+ (40*30 =) 1200 = 9,250$
		Total	10,900

Section 5: Requirements

To ensure the smooth execution of Smart India Hackathon at our institute, we will be requiring the following arrangements and permissions:

1. Permission for Desk Duties – Approval to set up help desks for registration, event coordination, and guiding participants.
2. Permission for Food Stalls in OC – Authorization to establish food stalls in the Open Court (OC) to provide refreshments for attendees.
3. Mattresses for Participants – Provision of mattresses in the allocated classrooms, as students will be staying overnight during the event to ensure their comfort and rest.
4. Extensions – Availability of power extensions to facilitate the smooth operation of various technical setups.

These requirements are essential for conducting Smart India Hackathon smoothly and ensuring a comfortable, efficient, and seamless experience for all participants, mentors, and attendees.

Subject: Request for Approval of Refreshments for Smart India Hackathon (SIH)
Participants

Respected Sir,

I hope this letter finds you in good health.

On behalf of the participants and organizers of the **Smart India Hackathon (SIH) 2025**, scheduled to take place on **19th** and **20th September 2025** at LT-2, LT-3, CR-3, and CR-4 of the academic blocks, I am writing to seek your kind approval for arranging refreshments for the event.

With an expected participation of around **600** attendees, including both participants and organizers, providing adequate refreshments is essential to ensure their comfort, energy, and focus throughout this intensive event. We kindly request your approval for the reimbursement of the expenses incurred towards providing refreshments during the event. The detailed budget breakdown is mentioned below for your reference:

S.No	Item	Quantity
1	Chips/Kurkure	600
2	Patties	600
3	Soft drink cans (small)	600

These provisions will ensure that all attendees are well-catered to, contributing to the smooth and successful execution of SIH 2025.

We sincerely hope for your support and positive consideration in this matter.

Thank you for your attention and assistance.

Yours sincerely,

Raghav Joshi
Chairperson, ACM JUIT Student Chapter (2025-26)

To

The Registrar

Jaypee University of Information Technology

Date: 27 January 2026
